Mighty GT11 Builds **Your Business**

The interior features a sedan-like style, with a human-centered design and a scientifically optimized layout, offering a comfortable driving experience

Horizontal **Dashboard Layout**

The dash panel features a new horizontal layout with a simpler, more modern look. Larger logically organized control switches for easier and more intuitive operation

Comfortable Interior More storage space

Adjustable Seats

The driver's seat offers up to 225mm

tilts up to 14 degrees for unparalleled

Automated Mechanical Transmission

Comfortable & convenient

Performance & Safety

VDC

Vehicle Dynamics Control

Forward Collision-Avoidance Assist

LDWS

Lane Departure Warning System

Impact Collapse Wheel

The steering wheel automatically collapses in the event of a collision to protect the driver

Mighty GT11 series boasts excellent performance, outstanding payload capacity, and stability. Every detail reflects its supreme quality. It is designed to enhance your safety on the road, and the Vehicle Dynamics Control system ensures excellent safety

Modular design engine of which the number of parts and the failure rate were reduced by 40% compared to similar brands
